MEETING PROCEDURES

Function of a Public Hearing A public hearing is intended to inform the public of pending proposals and to enable members of the public to present relevant information and viewpoints before any Board action. The Board encourages community participation at its meetings and has established procedures that are intended to accommodate public input in a timely manner as follows.

Speaker Registration Persons wishing to speak on a particular item on the agenda must file a speaker form with the staff prior to the Board's consideration of the item. Once discussion on the agenda item begins, only those persons who have previously submitted speaker forms will be permitted to speak on the item.

Consent Calendar Applications that are considered routine by the Staff have been placed on the consent calendar with a recommendation to approve, conditionally approve, or continue the item to a date certain. The Board may act in one motion to adopt the staff recommendations on those items.

Prior to voting on the consent calendar, the Chair will ask if any member of the public wishes to speak on any of the items listed on the consent calendar. If you wish to speak, please rise and request that the agenda item be removed from the consent calendar. Items removed will be discussed in the numerical order listed in the agenda.

Public Hearing Procedure

1. Chair identifies the agenda item and explains any deviation from the standard speaker rules.
2. Staff presents a brief project summary and makes a preliminary recommendation.
3. Board members may ask questions of Staff regarding the proposal.
4. Chair opens the public hearing.
5. Applicant is invited to describe and explain the proposal.....5 minute limit.

11. If the public hearing is closed, Board members further discuss the proposal and vote to approve, to approve with conditions, or to deny the application.
12. Chair informs the audience of the Board's action and appeal process.

Appeals Decisions of the Design Review Board may be appealed to the City Planning Commission within ten days. Appeals must be submitted to the Planning Department's office in writing and must indicate the reasons that the Board's action should be reversed.
