**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RICHMOND,
CALIFORNIA, ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2022-23
FUNDED BY SENATE BILL 1: THE ROAD REPAIR AND ACCOUNTABILITY
ACT OF 2017**

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and signed into law by the Governor in April 2017, in order to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our City are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the City must include a list of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1 by resolution, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the City will receive an estimated \$2,510,376 in RMRA funding in Fiscal Year 2022-23 from SB 1; and

WHEREAS, this is the sixth year in which the City is receiving SB 1 funding and the funding will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, biennial Community Surveys conducted since 2007 indicate Richmond residents consistently rate an improved street pavement condition as a high priority for the City; and

WHEREAS, the funding from SB 1 will help the City implement priority projects including paving projects throughout the City from the priority project list this year and similar projects in the future; and

WHEREAS, the recently completed 2021 Pavement Management Program Update project found that the City's streets are in fair condition and this revenue will help increase the overall quality of the City's Pavement Condition Index (PCI); and

WHEREAS, the SB 1 project list and overall investment in the City's local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide; and

NOW, THEREFORE, BE IT RESOLVED that the Council of the City of Richmond hereby confirms the foregoing recitals are true and correct.
