

RESOLUTION NO. 92-19

A RESOLUTION OF THE COUNCIL OF THE CITY OF RICHMOND, CALIFORNIA, FOR THE EMERGENCY REPAIRS FOR THE DISCHARGE PIPELINE PROJECT AT THE WASTEWATER TREATMENT PLANT FOR A COST OF \$189,312.50 (PROJECT COST OF \$162,500, PLUS VEOLIA 16.5% MARK-UP OF 26,812.50)

WHEREAS, the City of Richmond's Wastewater Treatment plant has four (4) discharge pipes that transfer raw sewage, currently flowing at the rate of approximately 7-million gallons per day; and

WHEREAS, the underground Influent Pump Station to the above-ground Grit Removal Channel, the Influent Pump Station discharge pipes, and Grit Removal Channel have been in continuous service since 1958; and

WHEREAS, the Grit Removal Channel is currently in a state of mechanical operative failure; and

WHEREAS, there is concern that the physical structure, including the influent discharge pipes, is approaching failure conditions; and

WHEREAS, catastrophic failure of the discharge pipes will result in the uncontrolled discharge of overflowing raw sewage to the ground surface; and

WHEREAS, while repairs are being finalized, the untold harm to public health and the environment could result in 7.0-million gallons per day of raw sewage reaching the ground surface around the WPCP and entering the San Francisco Bay; and

WHEREAS, this could cause the treatment plant to violate its National Pollutant Discharge Elimination System (NPDES) permit resulting in potential fines and penalties by the Regional and State Water Quality Control Boards and (possibly) the Environmental Protection Agency (EPA); and

WHEREAS, the Discharge Pipeline project at the Wastewater Treatment Plant would be for an amount not to exceed \$186,312.50 (proposal cost of \$162,500 plus Veolia 16.5% mark-up of \$26,812.50); and

WHEREAS, the Water Resource Recovery Department issued a project Task Authorization to Veolia and Veolia Water West Operating Services, Inc. will manage the subcontracts with W.R. Forde; and

WHEREAS, these emergency repairs will not impact the adopted FY 2019/20 budget, as budget transfer will cover the necessary funding for this project.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Richmond, as follows:

Section 1. The foregoing recitals are true and correct and this City Council hereby so finds and determines.

Section 2. The Water Resource Recovery Department shall enter into a Contract with Veolia to manage on the City's behalf subcontracts with W.R. Forde for the Emergency Repairs of the Discharge Pipeline Project for an amount not to exceed \$186,312.50.

Section 3. This resolution shall take effect immediately upon its passage.

I certify that the foregoing resolution was passed and adopted by the Council of the City of Richmond at a regular meeting thereof held October 1, 2019, by the following vote:

AYES: Councilmembers Bates, Johnson, Martinez, Myrick, Willis, Vice Mayor Choi, and Mayor Butt.
NOES: None.
ABSTENTIONS: None.
ABSENT: None.

PAMELA CHRISTIAN
