SUBJECT: DRAFT FISCAL YEAR 2021-22 BUDGET, FEE STUDY, AND 10-YEAR FINANCIAL PROJECTION

STATEMENT OF THE ISSUE:

Section 11.100.060(n) of the Rent Ordinance requires that the Board hold a public hearing and adopt an annual budget for the upcoming fiscal year no later than July 1. The annual budget is funded by the Residential Rental Housing Fee, the amount of which is determined by the City Council following a recommendation from the Rent Board. In consideration of this requirement, staff members have prepared a proposed Fiscal Year 2021-22 budget, fee study, and 10-year financial projection for the Rent Board's consideration and comment. The purpose of this item is to receive feedback from the Board on the proposed budget and to determine the date and time of a public hearing for potential adoption by the July 1 deadline.

RECOMMENDED ACTION:

(1) RECEIVE a draft Fiscal Year 2021-22 Rent Program budget, corresponding Rental Housing Fee study, and 10-year financial projection and PROVIDE direction to staff; and (2) DETERMINE the date and time of a public hearing concerning adoption of the Fiscal Year 2021-22 budget and approval of the fee study consistent with Sections 11.100.060(n) and (l) of the Rent Ordinance – Rent Program (Nicolas Traylor/Paige Roosa – 620-6564).

FISCAL IMPACT:

The proposed budget and Rental Housing Fee study for the 2021-22 fiscal year would authorize \$2,899,048 in expenses and \$2,956,037 in revenue. The Rental Housing Fee for the 2021-22 fiscal year is proposed to remain the same as that for the 2020-21 fiscal year: \$219 for Fully Covered Rental Units and \$124 for Partially Covered Rental Units.

DISCUSSION:

Proposed Fiscal Year 2021-22 Goals

The proposed Fiscal Year 2021-22 budget has been prepared for the Board's consideration in acknowledgement of the following goals in three broad categories: Program Development, Outreach, and Program Sustainability and Compliance.

PROGRAM DEVELOPMENT:

1. **Develop a training schedule for Rent Program Services Analysts (but accessible to all staff)**, to ensure housing counselors remain knowledgeable on the requirements of the Rent Ordinance and apprised of any changes to Rent Board Regulations and related State and Federal laws.
2. **Continue to implement the mediation program** to provide free formal and informal mediation services to Landlords and Tenants as a means of resolving disputes that have a reasonable nexus to the Rent Ordinance through the assistance of a trained mediator.
3. **Continue to develop an online filing system for the submission of Property Enrollment and Tenancy Registration forms**, as well as the filing of rent increase and termination of tenancy notices on the City's e-trakit website.

OUTREACH:

1. **Publish and distribute the Guide to Rent Control in Richmond and one-page fact sheets** on common topics such as Just Cause for Eviction, Owner Move-In evictions, the Ellis Act, and the Relocation Ordinance.
2. **Develop and Execute a Comprehensive Outreach Plan** that includes, but is not limited to, continuing to bolster our social media presence, producing informational, infographic, and/or testimonial videos to highlight aspects of the Rent Ordinance and services provided by the Rent Program and expanding outreach efforts to local businesses, schools, non-profits, neighborhood councils, and other community stakeholders.
3. **Launch Tenancy Registration Outreach** by beginning to mail out Notices of the Maximum Allowable Rent (MAR) (sent to Landlords and Tenants when Tenancy Registration Forms are submitted), and create a database accessible to the public where community members can research the MAR for a particular Rental Unit.

PROGRAM SUSTAINABILITY AND COMPLIANCE:

1. **Continue to improve collection of the Rental Housing Fee (greater than 90% compliance) through investing in effective compliance and outreach projects** to ensure that all Rental Units subject to the Rent Ordinance are assessed the Rental Housing Fee and all Landlords who should be paying the Rental Housing Fee receive an invoice and are made aware of their financial obligation to the Rent Program.
2. **Continue to work collaboratively with other City departments** to improve rental housing inspection options, seismic safety policy, enforcement of the Relocation Ordinance, the Richmond Rapid Response Fund (R3F) Rent Assistance Program for Displacement and Homelessness Prevention, and the collection of other City fees, such as the Business License Tax, Fire Prevention Services Fee, and Rental Inspection Program fee.
3. **Continue to implement the recommendations provided by Kevin Harper CPA and Associates**, including monitoring budgeted versus actual expenses and providing quarterly reports to the Rent Board, updating the Board’s 10-year financial projection, and proposing budgetary policies for the Board’s consideration.

Proposed Fiscal Year 2021-22 Budget Summary

The proposed total expenditures for the 2021-22 fiscal year are only 0.1% greater than that of the prior year and would fund expenses in the following categories:

Category	Proposed FY 2021-22 Budget
Salaries and Wages	\$1,195,799
Fringe Benefits	\$747,618
Professional and Administrative Services	\$240,425
Cost Pool (Indirect Service Charges, Space at 440 Civic Center Plaza, General Liability)	\$182,704
Other Operating Expenses	\$69,674
Supplemental Liability Insurance Policy (SLIP)	\$9,300
Noncapital Assets – Computer Hardware	\$10,800
Utilities	\$500
18% Operating Reserve	\$442,228
TOTAL	\$2,899,048

Ten-Year Financial Projection

In February 2020, the Rent Program entered into a contract with Kevin W. Harper CPA and Associates to prepare a 10-year financial projection for the Rent Program and issue

recommendations in support of the agency's goal of achieving long-term financial stability. The 10-year financial projection has been updated to reflect actual expenses and revenues in Fiscal Year 2020-21 as well as those proposed for Fiscal Year 2021-22 and is included in Attachment 1 of this report. The projection also reflects the Rent Board's direction to (1) maintain a revolving balance of available funds to address potential cash flow shortages at the beginning of each fiscal year, when Rental Housing Fee invoices have yet to be paid; and (2) build financial reserves equivalent to a minimum of 18 percent and maximum of 25 percent of current year operating expenses.

Proposed Fiscal Year 2020-21 Rental Housing Fee Study

Section 11.100.060(l)(1) of the Fair Rent, Just Cause for Eviction, and Homeowner Protection Ordinance ("Rent Ordinance") provides all Landlords shall pay a Residential Rental Housing Fee to fund the Rent Program budget. The amount of the Rental Housing Fee is annually established by the Richmond Rent Board and approved by the City Council.

Under Section 50076 of the California Government Code, fees charged for any service or regulatory activity must not exceed the reasonable cost of providing the service. Those fees must be approved by the City Council, as the legislative body, in public session. Therefore, a fee study is necessary to ensure that the Residential Rental Housing Fee recommended by the Rent Board and charged to Landlords is commensurate to the level of services provided by the Rent Program.

The fee study is designed to allow the Rent Program Department to recover costs of all budgeted operations, including, but not limited to:

- Personnel costs of staff, benefits, and overtime;
- Risk management and supplemental liability insurance plan (SLIP);
- Charges allocated to City Departments to reimburse the General Fund for administrative services by central service departments (i.e. City Council, City Manager, City Attorney, City Clerk, Finance, HR, etc.);
- Information Technology (IT) expenses associated with a property and rent-tracking database and maintenance of computer hardware and software;
- Legal costs to support enforcement and defense of legal challenges to the Rent Ordinance;
- Costs of education and outreach, including the printing and distribution of print materials and hosting of community workshops and seminars;
- Contracts for translation and other professional services;
- Mileage and attendance at conferences and trainings; and,
- An operating reserve to fund unanticipated costs and variations in collection of the Rental Housing Fee.

ITEM H-1

Staff members recommend the Board continue to utilize a tiered-fee approach to the Fiscal Year 2021-22 Rental Housing Fee to ensure the requirements of Section 50076 of the California Government Code are met.

Table 1 contains the fees corresponding to the proposed Fiscal Year 2021-22 budget.

I. RENT PROGRAM ORGANIZATION AND GOALS

Mission Statement

The mission of the Rent Program is to promote neighborhood and community stability, healthy housing, and affordability for Richmond Tenants through the regulating of those Landlord/Tenant matters that reasonably relate to rents and evictions, while maintaining a Landlord's right to a fair return.

Proposed Fiscal Year 2021-22 Organizational Chart and Labor Summary

The Richmond Rent Program was established following the adoption of the Fair Rent, Just Cause for Eviction, and Homeowner Protection Ordinance (Rent Ordinance) by a majority of Richmond voters in 2016. In accordance with the Rent Ordinance, an Executive Director appointed by a five-member Rent Board comprised of Richmond residents leads the Rent Program. No more than two members of the Rent Board may own or manage rental property or act as realtors.

The following figures illustrate how the proposed staffing plan for the upcoming year compares to prior years. Of particular note is the proposed addition of two new personnel classifications, including that of a General Counsel and a Senior Rent Program Services Analyst, as well as the consolidation of the Public Information and Billing and Registration Units into one combined Public Information and Enrollment Unit (PIE). The rationale for these proposed changes to the organizational chart is described in further detail below. Figure 1 contains the proposed organizational chart for the 2021-22 fiscal year, and Figures 2 and 3 provide a summary of full-time equivalents (FTEs) since Fiscal Year 2019-20.

Proposed General Counsel Personnel Classification

The proposed Fiscal Year 2021-22 budget includes a new General Counsel personnel classification, which would require approval by the City Council for establishment. The General Counsel position includes tasks that reach beyond the scope of the Staff Attorney role and are critical to the agency’s ability to fulfill the purpose and mission of the Rent Ordinance. The General Counsel position is distinct from that of the Staff Attorney in that the General Counsel position serves as Chief Counsel and legal advisor to the Rent Board and Executive Director and directs the work of the Legal Unit, whereas the Staff Attorney role receives direction from the Executive Director and participates in, but does not direct, the legal work of the agency. Furthermore, the General Counsel position, as proposed, (1) manages and advises on all phases of Rent Board legal work, including any action and/or conduct that implicates legal consequences; (2) represents the Rent Board in all civil matters and is the lead counsel in any civil litigation; (3) manages, directs, plans, and organizes the Rent Program Legal Unit; and (4) participates in recommending and implementing policy changes.

The Rent Program agency currently employs two Staff Attorneys. It is proposed that one of the Staff Attorney positions be reclassified as the General Counsel, pending approval. This proposed change would not increase the overall number of full-time equivalents (FTEs) employed by the agency.

Proposed Senior Rent Program Services Analyst Personnel Classification

In addition to the General Counsel position, the proposed Fiscal Year 2021-22 budget includes a Senior Rent Program Services Analyst classification, which would require approval from both the Personnel Board and City Council for establishment. The Senior Rent Program Services Analyst role is envisioned as distinct from the Rent Program Services Analyst I/II classification in that the Senior Analyst role would be responsible for managing the agency's largest unit (a consolidated Public Information and Enrollment Unit) as well as providing recommendations and support to management staff in their development of the agency budget and programmatic policies and procedures.

Historically, the Deputy Director role has maintained oversight of the Public Information and Billing and Registration Units, in addition to assisting the Executive Director with management of the agency, monitoring agency finances, and preparing reports and policies for consideration by the Rent Board and City Council. In Fiscal Year 2020-21, one Staff Attorney position was employed as a mid-level manager, who reported to the Deputy Director and was responsible for supervising the Rent Program Services Analysts in their roles as housing counselors, as well as assisting with legal unit tasks.

As the agency matures and its operations grow more complex, it is recommended that the agency replace the managing Staff Attorney with a Senior Rent Program Services Analyst position to supervise and provide direction and support to the Analysts, Administrative Aides, and Student Interns in the consolidated Public Information and Enrollment Unit. In addition to providing opportunities for Analysts to advance within the agency, this new position would relieve the Staff Attorney of management duties, allowing them to fully staff the Legal Unit. In Fiscal Year 2021-22, it is recommended that one of the vacant Rent Program Services Analyst positions be reclassified as a Senior Rent Program Services Analyst position, pending classification approval by the Personnel Board and City Council. This proposed change would not increase the overall number of full-time equivalents (FTEs) employed by the agency.

Consolidation of Public Information and Billing and Registration Units

The organizational chart for Fiscal Year 2021-22 includes a "Public Information and Enrollment Unit" that replaces the existing Public Information and Billing and Registration Units. This new organizational structure is anticipated to be advantageous to the agency for the following reasons:

- **Improved compliance with enrollment, registration, and fee payment requirements**
In their conversations with community members, Rent Program Services Analysts (housing counselors) frequently discover units that are not in compliance with the Rent Program in terms of property enrollment, tenancy registration, and fee payment requirements. Coordination between housing counselors and staff who oversee enrollment, registration, and fee payment operations is important, and the new organizational structure will support closer communication and collaboration to ensure that there is follow up after a unit found to be noncompliant is identified.

- **Greater efficiency in serving members of the public**
Distinct units can create unnecessary silos. The Rent Program is a relatively small agency and will be better equipped to face surges in demand or unforeseen circumstances if all Public Information and Enrollment Unit staff have a foundational understanding of both the Rent Ordinance and its requirements, as well as internal policies and procedures regarding property enrollment, tenancy registration, and payment of the Rental Housing Fee. Under the previous organizational structure, staff members in the Billing and Registration Unit would not typically assist with preparation for community workshops, and staff in the Public Information Unit may not have been familiar enough with Billing and Registration processes to fully assist community members with a billing issue. The new proposed structure would provide greater flexibility and redundancy among staff roles.

- **Promotes collaboration on large outreach projects**
With 6.75 FTE, the new consolidated Public Information and Enrollment Unit will be the largest unit in the agency and better able to manage completion of large projects, such as mailing the Guide to Rent Control, rent validation reports, and Rental Housing Fee invoices to thousands of Landlords and Tenants. Mass-mailing projects also present opportunities to share information that community members may not otherwise seek out; for example, mailing of Rental Housing Fee invoices to all Landlords is an opportunity to share information about other aspects of the Rent Ordinance.

Progress Towards the Achievement of Fiscal Year 2020-21 Goals

As part of the Fiscal Year 2021-22 Rent Program budget development process, staff members identified a series of goals that the proposed budget would support. As was the case for the greater City of Richmond and nation as a whole, the Covid-19 pandemic forced a reconsideration of goals and objectives for the 2020-21 fiscal year. Table 1, on the following page, provides a status update on the goals established for the 2020-21 fiscal year and notes the impacts of the Covid-19 pandemic.

Table 1. Progress towards achievement of Fiscal Year 2020-21 goals

Fiscal Year 2020-21 Goal	Progress Towards Achievement
<p>Continue to invest resources in staff training, particularly for the Rent Program Services Analysts, to ensure staff members are knowledgeable on the requirements of the Rent Ordinance, Rent Board Regulations, and related State and Federal laws.</p>	<p>Complete. Rent Program Services Analysts received regular and ongoing support and training from the managing Staff Attorney on the Rent Ordinance and related laws and regulations. Senior staff members provided specific trainings on new regulations and processes as needed. Rent Program Services Analysts provided weekly informational sessions to support staff in the Public Information Unit to keep them apprised of changes to the law and current topics of relevance.</p>
<p>Continue to implement the mediation program to provide free formal and informal mediation services to Landlords and Tenants as a means of resolving disputes that have a reasonable nexus to the Rent Ordinance through the assistance of a trained mediator.</p>	<p>Nearly complete, but significantly impacted by the Covid-19 pandemic. With mediation guidelines and administrative procedures in place, staff members continue to assess the bandwidth of the Public Information Unit to determine how many mediations may be scheduled per month. The Covid-19 pandemic delayed the process of filling vacancies in the Public Information Unit and eliminated the possibility of in-person mediations. The Executive and Deputy Directors facilitated mediations as necessary but the mediation program has yet to be fully launched.</p>
<p>Continue to develop an online filing system for the submission of Property Enrollment and Tenancy Registration forms, as well as the filing of rent increase and termination of tenancy notices on the City’s e-trakit website.</p>	<p>Progress is ongoing. Online submission of forms and notices has yet to be fully launched; staff members anticipate systems will continue to be developed in the 2021-22 fiscal year.</p>
<p>Publicize the Guide to Rent Control in Richmond and develop one-page fact sheets on common topics such as Just Cause for Eviction, Owner Move-In evictions, the Ellis Act, and the Relocation Ordinance.</p>	<p>Nearly complete but significantly impacted by the Covid-19 pandemic. The Guide to Rent Control has been completed and is slated to be distributed to Landlords and Tenants concurrent with the mailing of Rent Validation Reports for Fully Covered Rental Units. Landlords and Tenants of partially-covered Rental Units are anticipated to receive the Guide to Rent Control as well, in the absence of a Rent Validation Report. Originally planned to be completed during the 2020-21 fiscal year, the distribution of such materials was significantly delayed by the transition to remote work necessitated by the Covid-19 pandemic. Staff members anticipate completion of this task during the 2021-22 fiscal year as the severity of the pandemic decreases and restrictions lessen.</p> <p>One-page fact sheets pertaining to Just Cause for Eviction, Owner Move-In evictions, the Ellis Act, and the Relocation Ordinance have been drafted and are in the process of being displayed on the Rent Program website.</p>

Fiscal Year 2020-21 Goal	Progress Towards Achievement
<p>Develop a Comprehensive Outreach Plan that includes, but is not limited to, continuing to bolster our social media presence, producing informational, infographic, and/or testimonial videos to highlight aspects of the Rent Ordinance and services provided by the Rent Program and expanding outreach efforts to local businesses, schools, non-profits, neighborhood councils, and other community stakeholders.</p>	<p>Progress is ongoing but was significantly impacted by the Covid-19 pandemic. During the 2019-20 fiscal year, the Executive Director, in partnership with Public Information Unit staff members, spearheaded an outreach strategy to conduct site visits and make connections with local businesses, churches, and community centers. While the initiative gained momentum in the preceding fiscal year, progress was severely stunted in Fiscal Year 2020-21 due to the risks of in-person contact during the Covid-19 pandemic. Instead, outreach was primarily conducted through the agency’s social media accounts, which proved to be an effective means of sharing information.</p>
<p>Launch Tenancy Registration Outreach by beginning to mail out Notices of the Maximum Allowable Rent (MAR) (sent to Landlords and Tenants when Tenancy Registration Forms are submitted), and create a database accessible to the public where community members can research the MAR for a particular Rental Unit.</p>	<p>Incomplete due to the limitations of remote work during the Covid-19 pandemic. More than half of all rent-controlled tenancies have been registered to date; however, thousands of forms still need to be entered into the database. Billing and Registration unit staff developed template forms and continue to work closely with the City’s IT department staff to ensure notices can be automatically generated and mailed to Landlords and Tenants to educate them about the Maximum Allowable Rent for their specific unit. Originally planned to be completed during the 2020-21 fiscal year, generating and mailing of such reports was significantly delayed by the transition to remote work necessitated by the Covid-19 pandemic. Staff members anticipate initiation of this task during the 2021-22 fiscal year as the severity of the pandemic decreases and restrictions lessen.</p>
<p>Continue to improve collection of the Rental Housing Fee (greater than 85% compliance) to build up the Rent Program’s reserves</p>	<p>On Track to Complete. As of period seven of the 2020-21 fiscal year, approximately 78% of revenue has been collected. Total Rental Housing Fee revenue is projected to approach 88% by the close of the fiscal year.</p>
<p>Continue to work collaboratively with other City departments to improve rental housing inspection options, seismic safety policy, enforcement of the Relocation Ordinance, and the collection of other City fees, such as the Business License Tax, Fire Prevention Services Fee, and Rental Inspection Program fee</p>	<p>Progress is ongoing. Rent Program staff continue to host monthly meetings with the Richmond Police Department, Code Enforcement, Richmond Housing Authority, and Community Development Department to foster open communication about issues pertaining to the Rent Ordinance. In addition to monthly meetings, staff members in the Public Information and Billing and Registration Unit are frequently in communication with the Finance and Community Development Departments to streamline operations and improve customer service provided to community members by facilitating information sharing and identifying opportunities for collaboration.</p>
<p>Implement more stringent exemption verification processes to require that claims of non-applicability or exemption are fully investigated and approved or denied by Rent Program staff (or the Rent Board, in the event of an appeal).</p>	<p>Complete. Rent Program staff drafted regulations adopted by the Rent Board to create processes through which claims of non-applicability or exemption are fully investigated and approved or denied by staff. Following adoption by the Board, staff members created the requisite forms and accompanying internal procedures. To date, the Rent Program has processed 65 claims of inapplicability or exemption.</p>

CalPERS costs are remitted in two parts—one being a percentage of payroll each pay period (object code 400149) and the other being a flat dollar amount per FTE for the unfunded liability (object code 400151). The allocation covers General Liability, Administrative Charges, and space at City Hall for the Rent Program. More specifically, the allocation accounts for the following:

- **General Liability and Workers’ Compensation** at a total cost of \$79,937
- **Administrative Charges** (*previously referred to as “Indirect Costs”*) are allocated to City Departments to reimburse the General Fund for administrative services performed by central service departments (e.g. Information Technology (IT), Human Resources, Finance Department, City Manager, City Attorney, City Clerk, and City Council.) Allocations are determined in the City’s Cost Allocation Plan (CAP) which is conducted by an external consultant on a periodic basis. Since the Rent Program was not included in the most recent Cost Allocation Plan since it was completed prior to 2017, the City Manager’s Office was used as the basis for the original figure. The City anticipates conducting a new CAP in the near future, and as such, the cost of these charges may increase or decrease depending on the consultant’s findings. The cost allocated in the budget is \$52,481.

- Civic Center Allocation** refers to the cost of space at 440 Civic Center Plaza. The cost of this space is based on the percentage of total occupied square footage at City Hall. This percentage is then applied to the total annual debt service. Based on the most recent assessment conducted in 2017, the Rent Program is presumed to occupy 0.9% of the total square footage at City Hall. Since the Rent Program’s square footage has increased each year since 2017, the budgeted allocation has increased accordingly. The City anticipates conducting a new assessment in the near future, and as such, the cost of these charges may increase or decrease depending on their findings. The cost allocated in the budget is \$50,286.

NONCAPITAL ASSETS	
400601 Computer Hardware	Proposed Allocation: \$10,800

The allocation covers the cost of purchasing nine laptops to ensure that all staff members have access to a laptop computer. The quoted price for each laptop is approximately \$1,200, for a total estimated cost of \$10,800.

III. EXPENSE AND REVENUE PROJECTIONS

Overview

In accordance with the Rent Ordinance, the Rent Program’s budget is funded by a Residential Rental Housing Fee, paid by all Richmond Landlords. Table 2, below, contains a summary of funds expended and collected for departmental operations since the Program’s establishment in 2017. Collection efforts for all assessed fees are ongoing. In 2019, the Rent Board entered into a contract with a collection services agency to recover unpaid fees. To date, the agency has collected approximately \$50,000 in outstanding fee revenue. This figure is expected to grow as collection efforts continue.

10-Year Financial Projection

A ten-year financial projection of revenue, expenses, and reserves is contained in Appendix B of this report. The projected Rental Housing Fee collection rate for the 2020-21 fiscal year is approximately 88 percent, five percent less than that observed in Fiscal Year 2019-20. The decrease in the collection rate is primarily attributable to the challenges posed by the Covid-19 pandemic. Not only have many property owners experienced financial hardship as a result of the effects of the pandemic, but the Rent Program and City of Richmond’s ability to collect revenue has also been negatively impacted by the shift to remote work, which has significantly reduced staff time in the office and eliminated the possibility for property owners to pay the Rental Housing Fee in person at City Hall.

³ Includes revenue collected by the collections agency.

⁴ Includes the FY 2016-17 Rental Housing Fee (December 2016 – June 2017)

⁵ Includes revenue collected in FY 2017-18 for both the FY 2016-17 and FY 2017-18 fees.

⁶ Represents projected total expenses through the end of FY 2020-21.

⁷ Represents projected total revenues through the end of FY 2021-21, excluding interest.

IV. FISCAL YEAR 2021-22 RENTAL HOUSING FEE STUDY

Introduction and Background

Section 11.100.060(l)(1) of the Rent Ordinance provides all Landlords shall pay a Residential Rental Housing Fee to fund the Rent Program budget. The amount of the Rental Housing Fee is established annually by the Richmond Rent Board and approved by the City Council.

Under Section 50076 of the California Government Code, fees charged for any service or regulatory activity must not exceed the reasonable cost of providing the service. Those fees must be approved by the City Council, as the legislative body, in public session.

The fee study is designed to allow the Rent Program to recover costs of all budgeted operations, including, but not limited to:

- Personnel costs of staff, benefits, and overtime;
- Risk management and supplemental liability insurance;
- Charges allocated to City Departments to reimburse the General Fund for administrative services by central service departments (i.e. City Council, City Manager, City Attorney, City Clerk, Finance, HR, etc.);
- Information Technology (IT) expenses associated with a property and rent-tracking database and maintenance of computer hardware and software;
- Legal costs to support enforcement and defense of legal challenges to the Rent Ordinance;
- Costs of education and outreach, including the printing and distribution of print materials and hosting of community workshops and seminars;
- Contracts for translation and other professional services;
- Mileage and attendance at conferences and trainings; and,
- An operating reserve to fund unanticipated costs and variations in collection of the Rental Housing Fee.

Structure of the Rental Housing Fee

Consistent with direction from the Rent Board in 2017, its first year of existence, the Fiscal Year 2016-17 and FY 2017-18 Rental Housing Fees were established as “flat fees,” applicable to all units regardless of partial or full applicability under the Rent Ordinance. This approach was utilized during the first 1.5 years of program startup since the tasks and associated benefits of the agency’s startup were reasonably shared among Rental Units regardless of status.

For the 2018-19 Fiscal Year, the Rent Board adopted a tiered fee, much like that contemplated in the [2017 Fee Study](#) prepared by Management Partners. Under this approach, costs of program administration are allocated among three components or layers: a general “program” layer (calculated at 55% of costs), a “just cause” layer (20% of total

costs), and a “rent control” layer (25% of costs).⁹ Such allocations correspond with the amount of resources spent administering each component of the program. Staff members recommend the Board continue to utilize a tiered-fee approach in its determination of the Fiscal Year 2021-22 Rental Housing Fee to ensure the requirements of Section 50076 of the California Government Code are met. The figure on the following page illustrates this concept and identifies key example tasks associated with each program component. This list is not exhaustive; the tasks below are identified for illustrative purposes only.

Figure 2. Fee Layers and Associated Tasks

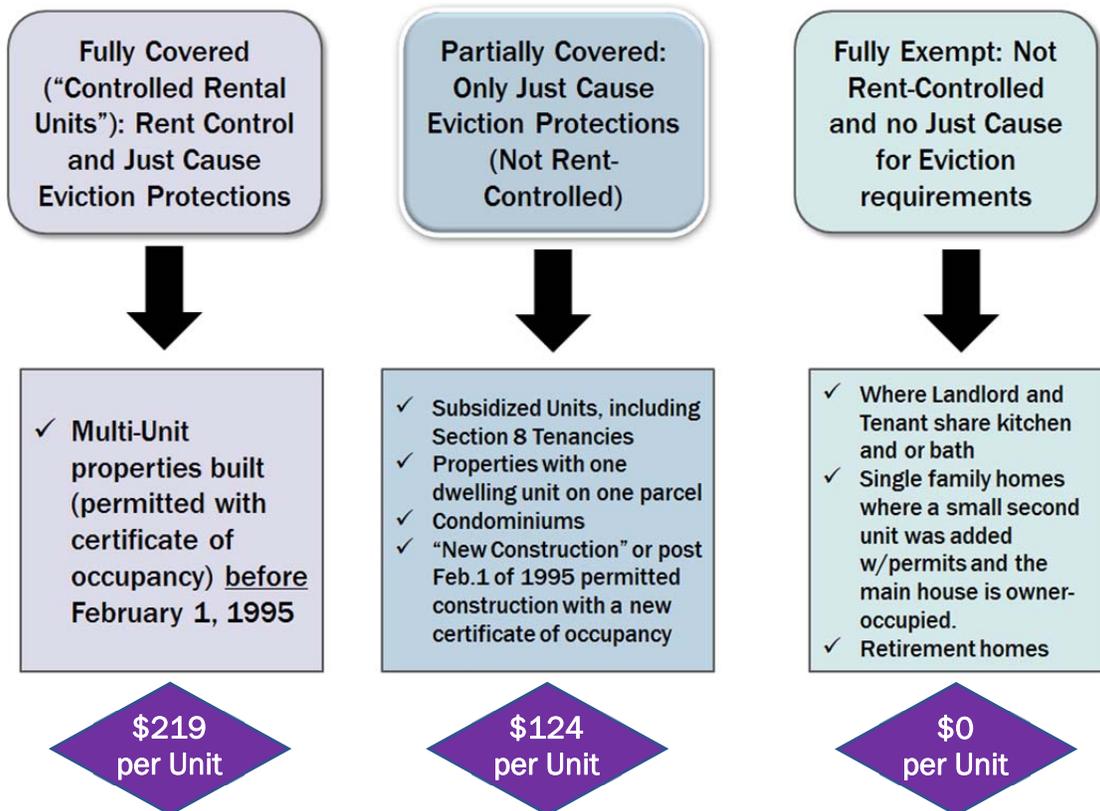

The amount of the Rental Housing Fee applicable to a particular Rental Unit depends on its status. Units applicable to the Just Cause for Eviction requirements, but exempt from the Rent Control provisions of the Ordinance (such as properties with only one dwelling unit on the parcel, governmentally-subsidized units, condominiums, and permitted units built after February 1, 1995), are responsible for payment of Program and Just Cause for Eviction layers. Units subject to the Just Cause for Eviction and Rent Control provisions of the Rent Ordinance would be responsible for payment of all three layers. Units that are fully exempt

⁹ With the exception of legal services, which are allocated 10% to the Program Layer, 70% to the Just Cause for Eviction Layer, and 20% to the Rent Control Layer.

from the Rent Ordinance are not responsible for payment of the Rental Housing Fee. Figure 3, below, identifies the types of units within each of these categories and the proposed fee.

Figure 3. Proposed Fees Applicable to Fully Covered, Partially Covered, and Fully Exempt Rental Units

Applicable Unit Counts and Database Development

The number of applicable Rental Units within each category is a critical input in the calculation of the Rental Housing Fees for partially and Fully Covered units. The Fiscal Year 2016-17 and 2017-18 Fee Study utilized data provided by the Contra Costa County Assessor’s Office to identify suspected Rental Units. While County Assessor data may be used to arrive at an estimated number of total Rental Units, it cannot produce an exact figure. Nevertheless, County Assessor data was the best and most readily available data at the time of the Fiscal Year 2016-17 and 2017-18 Fee Study.

Since the first iteration of the Rental Housing Fee Study in Fiscal Year 2017-18, staff have continued to refine the database of Rental Units in the City of Richmond, most notably through the completion of an exemption verification project of single family homes in the City to accurately identify units that are truly rented. This project involved mailing an introductory letter and policy information to all single family homes and condominiums possessing one of the following characteristics in the County Assessor database:

- (1) No Homeowner’s Tax Exemption was claimed
- (2) The site address of the property did not match the owner on record’s mailing address

Approximately 15,500 properties met the above criteria. To confirm applicability under the Rent Ordinance, Rent Program staff members mailed information about the requirements of the Rent Ordinance to all the owners of properties that met the criteria above. Owners of properties in the City of Richmond that did not contain any Rental Units (for example, owners of condominiums that are owner-occupied) were required to complete and submit a Declaration of Owner Occupancy and/or Exemption form and submit documentation to allow staff members to approve the exemption. Rent Program staff members received and processed approximately 1,700 Declaration of Owner Occupation and/or Exemption forms.

Additional sources of data, including the identification of Rental Units not identified in the previous fee study, include:

- Rental Units enrolled in the Rent Program online at www.richmondrent.org/enroll
- Rental Units identified by the Rental Inspection Program
- Rental Units participating in the Section 8 Housing Choice Voucher Program
- Rental Units with an active business license
- Rental Units in subsidized housing developments, such as those built with Low Income Housing Tax Credits (LIHTC), based on the [inventory of deed-restricted affordable housing](#) prepared by Rent Program staff members in 2017
- Unknown Rental Units identified through Tenant inquiries and other sources to the Rent Program

Since the adoption of last year's Rental Housing Fee, staff members have continued to refine the database of Rental Units through processing of Property Enrollment and Owner Declaration forms. These processes have further unveiled suspected Rental Units that are not truly rented, decreasing the total number of applicable Rental Units among which the Rent Program budget is divided to calculate the Rental Housing Fee. For example, the processing of Property Enrollment forms has unearthed many multifamily properties where an owner may occupy one unit. In such case, the status of a unit would be changed from "Compliant" or "Noncompliant" [Partially or Fully-Covered Rental Unit] to "Owner Occupied." The table on the following page summarizes these changes as of February 2021. In total, records indicate that the Rent Program is aware of 17,723 Rental Units applicable to the Rent Ordinance.

According to the 2019 American Community Survey (Table DP04), the number of renter-occupied housing units in Richmond is reported as 20,467 units, with a margin of error of 1,767. The American Community Survey is a sample, not a complete count, which is why the margin of error is reported. This means that there is estimated to be between 18,700 and 22,234 renter-occupied housing units in Richmond. **This data suggests that there could be at least one thousand Rental Units absent from the Rent Program's database.** Rent Program staff are committed to dedicating resources to compliance and outreach projects to ensure that all Rental Units subject to the Rent Ordinance are assessed the Rental Housing Fee and all Landlords who should be paying the Rental Housing Fee receive an invoice and are made aware of their financial obligation to the Rent Program.

per unit cost is the lowest. Yet while Richmond’s proposed fees are lower than those charged in peer jurisdictions with actively enforced rent programs, it is important to consider that Richmond’s median rental rates are also less than those in peer rent control jurisdictions.

¹⁷ Source: Zillow Rent Index (ZRI): A smoothed measure of the typical estimated market rent across a given region and housing type. ZRI, which is a dollar-denominated alternative to repeat-rent indices, is the mean of rent estimates that fall into the 40th to 60th percentile range for all homes and apartments in a given region, including those not currently listed for rent.

¹⁸ Pass-through only applies to tenancies that began prior to January 1, 1999.

¹⁹ West Hollywood’s Rent Program receives support from the City’s General Fund, and the \$144 fee allows the program to recover 65% of total costs. The program would need to collect \$221 per unit to recover 100% of costs.

Conclusion and Recommended Actions

The proposed 2021-22 budget will support the overarching goal of the Rent Program; that is, to continue to develop as an actively enforced program that equips community members with an understanding of their rights and responsibilities under the Rent Ordinance. The Fiscal Year 2021-22 Fee Study will allow the agency to recover costs of all budgeted operations and does not necessitate changing the amount of the Rental Housing Fee.

The recommendations put forth by staff for consideration by the Rent Board are as follows:

- Adopt the proposed Fiscal Year 2021-22 Budget to provide the support necessary for continued development of all Rent Program operations;
- Receive and approve the Fiscal Year 2021-22 Rental Housing Fee Study; and
- Direct staff to prepare a resolution, consistent with the Rent Board's approved Fee Study and Budget, recommending to the City Council adoption of a two-tier fee structure for Fiscal Year 2021-22 of \$219 for Fully Covered Rental Units and \$124 for Partially Covered Rental Units.

V. UNIT DESCRIPTIONS

Management Unit (2.25 FTE)

The Management Unit, comprised of the Executive Director, Deputy Director, and Assistant Administrative Analyst (0.25 FTE), is responsible for guiding the development of the Rent Program agency and managing day-to-day operations. The Management Unit also conducts policy research to support the agency and Rent Board, which includes conducting surveys and studies to help guide administrative improvements and the formation of sound public policy. The Management Unit oversees all personnel-related issues (hiring, training, discipline in conformance with MOU's, etc.) Other duties include providing staff support to the Rent Board, including but not limited to the preparation of agendas, minutes and documents for all Rent Board meetings. Central to the Management Unit's duties are preparation, monitoring and reporting of the annual Rent Program budget. The Management Unit also publishes the Rent Program Annual Report, required by the Rent Ordinance.

Legal Unit (2.25 FTE)

The Legal Unit includes Staff Attorneys (2 FTE) and an Assistant Administrative Analyst (0.25 FTE). The duties of the Legal Unit include representing the Board in litigation, advising the Director and the Rent Board on legal matters (this may include the preparation of Confidential Legal Memoranda and ensuring compliance with Brown Act requirements, reviewing and opining on decisions on appeal, coordinating responses to public records act requests, training Rent Program Services Analysts, supervising investigations and lawsuits for non-compliance, reviewing contracts, and responding to legal challenges to the Ordinance and applicable regulations. Staff members in the Legal Unit are also responsible for drafting regulations for consideration by the Rent Board and establishing processes to monitor rent increase and termination notices in accordance with the requirements of the Rent Ordinance.

This includes maintenance of the agency's property enrollment and tenancy registration database. The enrollment and tenancy registration database is an essential tool used to generate accurate Rental Housing Fee invoices, track the Maximum Allowable Rent for Controlled Rental Units, and manage contact and case information for all Rental Units in the City of Richmond. Public Information and Enrollment Unit staff members are responsible for planning and executing the annual billing cycle of the Rental Housing Fee and managing the collection of revenue, including late fees. Community education is provided in the form of one-on-one counseling, facilitating mediation sessions, drafting print materials such as the Guide to Rent Control, and providing direct referrals to community legal services agencies. Staff members in this unit also plan, prepare, and conduct monthly community educational workshops for Landlords and Tenants, maintain the agency's social media accounts, and assist Landlords and Tenants with the filing of Rent Adjustment Petitions.

Hearings Unit (1.75 FTE)

The Hearings Unit consists of a Hearing Examiner, who is supported by an Assistant Administrative Analyst (0.5 FTE) and an Administrative Student Intern (0.25 FTE). The main functions of the Hearings Unit include administering the petition process, conducting hearings and issuing decisions, conducting settlement conferences, acting as a back-up resource on interpretation of the Rent Ordinance and regulations, assisting with drafting public information documents such as the Guide to Rent Control and other print and online materials and maintaining all forms required for administration of the Rent Adjustment Petition process. Staff members in the Hearings Unit also assist with special projects, such as working with City staff to develop rent registration/tracking software to adjust rents in the Maximum Allowable Rent database.
