Department: Rent Program

Department Head: Nicolas Traylor

Phone: 620-6564

Meeting Date: November 20, 2024

Final Decision Date Deadline: November 20, 2024

STATEMENT OF THE ISSUE: At the June 26, 2023, Special Meeting of the Richmond Rent Board, the Board approved the Fiscal Year 2023-24 Rent Program budget. The approved budget included \$75,000 to fund legal services to Richmond Landlords and Tenants. Of particular note was the Board's desire to address the many situations observed by Rent Program staff, where small rental property owners would attempt to terminate tenancies without proper legal advice resulting in improper eviction tactics, which lead to claims of harassment and illegal evictions. Such tactics can escalate into costly mistakes that threaten the financial stability of both the small property owners and their tenants. Furthermore, in June of 2023, the contract with Bay Area Legal Aid ended, creating a gap in legal services available for Richmond Landlord and Tenants. After conducting a Request for Proposals in November of 2023 with no potential vendors bidding, the Rent Program reached out to Project Sentinel to discuss a proposed contract to provide legal services to Richmond Landlords and Tenants. After several meetings to discuss a proposed legal services program, the Rent Program and Project Sentinel have negotiated a contract that will provide up to 20 hours a week for an attorney to provide one-on-one legal services. 4 service activities include: (1) Legal Advice, Consultation and Preparation; (2) Written Legal services; (3) Negotiation and Settlement; and (4) Other Resources.

STATEMENT OF THE ISSUE:

At the June 26, 2023, Special Meeting of the Richmond Rent Board, the Board approved the Fiscal Year 2023-24 Rent Program budget. The approved budget included \$75,000 to fund legal services to Richmond Landlords and Tenants. RECOMMENDED ACTION:

APPROVE a contract, not to exceed \$75,000 with Project Sentinel to provide legal services to Richmond Landlords and Tenants.

FISCAL IMPACT: The proposed contract will not exceed \$75,000 per fiscal year. Since the contract would commence after July 1, funding shall be prorated from the time the contract begins until the end of the fiscal year.

DISCUSSION:

Background

At the May 15, 2023, Regular Meeting of the Rent Board, Executive Director, Nicolas Traylor, presented as one of the agency “Program Development” goals for fiscal year 2023-24 to provide legal services to Richmond Landlords and Tenants. The proposed legal service had been contemplated by some Rent Board members in previous fiscal years after hearing from Richmond landlords speaking at public comment. Richmond landlords, (particularly small rental property owners, who make up about 88% of all Richmond landlords) needed legal support to improve enforcement of and compliance with the Richmond Rent Ordinance.

Proposed Landlord/Tenant Legal Services Program Aligns with the Richmond Rent Ordinance

The purpose of the Richmond Rent Ordinance is to promote neighborhood and community stability, healthy house and affordability, through the regulating of those Landlord/Tenant matters that reasonably relate to rents and evictions, while ensuring a Landlord right to a fair return. Enforcement of the Rent Ordinance necessitates Richmond Landlords who understand and follow the requirements of the Rent Ordinance. Providing legal services to both Richmond Landlords and Tenants, including legal advice helps both the Landlord and the Tenant from violating the law, avoiding costly mistakes that result from poorly informed, and inadequately strategized decision-making with significant legal implications around Landlord/Tenant matters relating to rents and evictions.

The proposed Landlord/Tenant Legal Services Program would align with the above stated purpose of the Rent Ordinance to provide legal support for both Landlord and Tenants to improve compliance and enforcement of the Rent Ordinance. Rent Program staff are prohibited from providing legal advice to either Landlord and Tenants and advocate for either party. Giving out legal advice means offering guidance or recommendations on how a person should handle a specific legal situation or issue based on the law. Legal advice often involves interpreting laws, explaining rights and obligations, and recommending actions for a particular case. It requires a deep understanding of the law and is usually provided by a licensed attorney. While Rent Program staff can provide legal information about the law or legal procedures that is not specific to anyone’s situation, they cannot tell a Landlord or Tenant what to do or provide strategy in a legal case or situation. While, the proposed Landlord/Tenant Legal Services Program would not entail the contracted attorney representing either party in court, it would require providing legal assistance that would help mitigate legal disputes. The proposed program makes available the following scope of services as described in Exhibit A of the contract:

A dedicated 20-hour a week contracted attorney to be jointly interviewed, hired, and trained by Project Sentinel and the Rent Program would perform the following activities:

1. **Activity No. 1 - Legal Advice and Consultation**

- a. Contractor shall provide consultations, legal advice, and legal advocacy on pertinent legal issues and procedures that implicate the Fair Rent, Just Cause, and Homeowner Protection Ordinance (hereinafter, “Rent Ordinance”) . “Legal issues” shall mean those issues that reasonably relate to the regulatory purpose of the Rent Ordinance. The regulatory purpose the Rent Ordinance is to regulate those landlord/tenant matters that reasonably concern rents and/or evictions, while maintaining a landlord’s right to a Fair Return. These issues include, but are not limited to the following: evictions, rent, habitability, security deposits, relocation, etc.
- b. Contractor shall provide consultations and legal advice to eligible participants concerning Notices of Termination and/or Unlawful Detainers. Such legal advice may concern issues related to statutory requirements concerning Notices of Termination, explanation of the Unlawful Detainer process, substantive requirements of proof in an Unlawful Detainer proceeding, etc. The Contractor, may, but is not required to advise on the strength or weakness of a Notice of Termination and/or Unlawful Detainer. Moreover, Contractor, may, but is not required to, aid an eligible participant in preparing for an Unlawful Detainer court appearance.

2. Activity No. 2 - Written Legal Services

- a. Contractor shall provide letter writing services to eligible participants. Writing services shall be limited to those instances where an eligible participant is seeking to inform either a Landlord/Tenant of their rights and obligations under the Rent Ordinance and other related laws. Any letter sent on behalf of an eligible participant shall include both a succinct recitation of the pertinent facts, and correct citations of law. Contractor is not required to respond to any letter received in response to the Contractor’s initial letter. Finally, Contractor shall avoid any conflicts of interest that may arise while dealing with the parties.
- b. Contractor shall assist eligible participants in preparing and reviewing Rent Board required documents. Such documents shall include but are not limited to, Rent Program petitions, rent increase notices, registration forms, etc. Notwithstanding the above, Contractor shall have the discretion to refuse or assist in the preparation and/review of Maintenance of Net Operating Income Forms.

3. Activity No. 3 - Negotiation and Settlement

- a. Occasionally, the Rent Program may refer to Contractor a mediation matter. Contractor shall mediate only those matters referred to Contractor for mediation. Where contractor mediates a matter, such mediation must be completed within four hours. If the contractor deems it necessary, the Contractor may ask the Executive Director to extend the mediation to a

length not to exceed an additional 4hrs. If mediation cannot be completed within 8hrs, Contractor shall inform the parties that the mediation is terminated without resolution. Prior to releasing the parties, Contractor shall inform the parties of any existing rights they may have under the administrative process of the Rent Board. Where mediation is conducted, Contractor is prohibited from mediating the following issues:

- Cases where an eviction notice has been filed or served on a Tenant.
- Relocation Payment amounts cannot be negotiated below the required level.
- Maximum Allowable Rent, unless otherwise authorized to do so by the Executive Director.
- Buyout Agreements, Cash for Keys, or other instances concerning the tenant permanently vacating the Rental Unit.
- Subtenant/Master-Tenant conflicts, unless the landlord is a party to the issue.
- If at any time either party is represented by an attorney.

4. **Activity No. 4 - Other Resources**

- a. Contractor may provide referrals to participants where, in the Contractor's judgment, additional or more appropriate resources are required. This includes but is not limited to guidance on where to find more assistance such as legal aid organizations, pro-bon service or how to find and procure private law firms and/or attorneys.

A. **Dedicated Legal Capacity**

Contractor shall provide an Attorney that shall have the full-time equivalent of a 0.5 FTE (Based on a 37.5-hour work week which results in approximately 20 hours per week) dedicated to Richmond cases to fulfill the terms of this agreement and serve eligible participants.

B. **Training and Approval**

Prior to commencing services, Attorney must be interviewed by Rent Program Legal Staff for review of qualifications and experience required for Activities outlined above. Additionally, attorney shall participate in an initial training program led by Rent Program Legal Staff. Such training shall include an overview of Rent Program Services, Rent Ordinance, and Rent Board Regulations. Ongoing training may be required or requested as necessary.

C. **Limitations and Parameters for Legal Services**

1. Contractor's initial services are by appointment only and must be initiated through a Rent Program referral. Referrals may only be obtained after speaking to designated Rent Program staff.
2. Participants must sign a waiver form with a disclaimer developed by Contractor

and approved by the Executive Director, prior to receiving services. The disclaimer shall state that the Attorney is not their personal or full-time attorney and is only providing a limited service that does not go beyond their scheduled and agreed upon session(s). The waiver form must be signed prior to any appointment being scheduled and shall be part of the intake process conducted by Rent Program housing counselors.

3. Sessions are limited to 45 minutes but may be extended at the discretion of the assigned attorney.
4. Participants are generally limited to two (2) sessions per month. However, the assigned attorney retains discretion to provide additional sessions as they deem necessary.
5. Under no circumstance shall the attorney allow any participant(s) to reserve and/or use their time unreasonably to the exclusion of others. Attorney shall, at all times, attempt to serve as many participants as possible in a fair and equitable manner.
6. Attorney shall avoid conflicts of interest that may arise when providing legal services to eligible participants.
7. Attorney has discretion to end any session or discontinue service at any time so long as basis for severance is reasonable.

D. Measurement

To measure the success of this service plan, Contractor will track the following:

1. The number of participants (which includes unduplicated and duplicated participants) served during the duration of this Contract.
2. The categories of encountered legal issues, service provided concerning the legal issue, and if known, the outcome of those issues.
3. Approximate duration (minutes/hours) of performing each of the services rendered on behalf of the eligible participant.
4. Type of property (Single Family home, multi-unit, etc., rent control or partially controlled).
5. For each eligible participant, Whether they are a landlord, tenant, or representative/advocate thereof, address, race/ethnicity (optional), language or other access to justice issues, monthly income and source, household size information (for tenant participants), monthly rent (of tenant), security deposit, last time rent was paid/accepted, the type of notice the Tenant received, a description of the housing problem, and the client's goals. These reports shall have client names, addresses and other key identifying information redacted as necessary to preserve attorney/client privilege and client confidentiality.
6. The Rent Program reserves the right to dispute and request further documentation and/or clarification regarding reported hours if they appear

unreasonable or otherwise not in conformance with the goals and requirements of this contract.

E. Reports

1. Contractor shall submit monthly reports (attached to all invoices) detailing the number of eligible participants served and pertinent data regarding their properties (for Landlords) or tenancies (for Tenants), and demographics (such as race/ethnicity). Such reports should summarize which activity (i.e. Activity 1 through 4) were performed and what was the legal issue or inquiry. These reports shall have client names and addresses redacted to preserve attorney/client privilege, with full records maintained at Contractors' office for review if necessary.
2. At a minimum, Attorney shall meet each quarter (every 3 months) with Rent Program staff to review progress of program and services. The Executive Director may require Attorney to meet more than once within a three (3) month period.
3. Upon request from Rent Program's management team, contractors shall conduct at least one presentation annually prior to the expiration of the current contract to the Richmond Rent Board when the Board votes to renew the Contract that reports on the full scope of services and to respond to questions the Board may have.

However, City reserves, and Contractor irrevocably grants, a nonexclusive, fully paid-up, royalty-free, assumable, perpetual, worldwide license, with the right to transfer, sublicense, practice and exploit said license and the right to make, have made, copy, modify, make derivative works of, use, sell,

import, and otherwise distribute under all applicable intellectual properties without restriction of any kind said license.

Contractor further agrees to assist City, at City's expense, in every proper way to secure the City's rights in any patents, trademarks, copyrights or other intellectual property rights relating thereto, including the disclosure to City of all pertinent information and data with respect thereto. Contractor shall also assist City in the execution of all applications, specifications, oaths, assignments, recordation, and all other instruments which City shall deem necessary in order to apply for, obtain, maintain and transfer such rights, or if not transferable, to waive such rights. Contractor shall further assist City in the execution of all applications, specifications, oaths, assignments, recordation and all other instruments which City shall deem necessary in order to assign and convey to City, and any assigns and nominees the sole and exclusive right, title and interest in and to any patents, trademarks, copyrights or other intellectual property rights relating thereto. Contractor further agrees that its obligation to execute or cause to be executed, when it is in Contractor's power to do so, any such instruments or papers shall continue during and at all times after the end of Contractor's services and until the expiration of the last such intellectual property right. Contractor hereby irrevocably designates and appoints City, and its duly authorized officers, agents and servants, as its agent and attorney-in-fact, to act for and in its behalf and stead to execute and file any such applications and to do all other lawfully permitted acts to further the application for, prosecution, issuance, maintenance or transfer of letters of patents, copyright and other registrations. This power of attorney is coupled with an interest and shall not be affected by Contractor's subsequent incapacity.

5. Inspection. Contractor's performance, place of business and records pertaining to this Contract are subject to monitoring, inspection, review and audit by authorized representatives of the CITY, the State of California, and the United States Government.

If the project or services set forth in Exhibit A shall be performed on City or other public property, City shall have the right to inspect such work without notice. If such project or services shall not be performed on City or other public property, City shall have the right to inspect such work upon reasonable notice.

6. Services. The project or services set forth in Exhibit A shall be performed to the full satisfaction and approval of City. In the event that the project or services set forth in Exhibit A are also itemized by price, City, in its sole discretion, may, upon notice to Contractor, delete certain items or services set forth in Exhibit A, in which case there shall be a corresponding reduction in the amount of compensation paid to Contractor.

Contractor shall, at its own cost and expense, furnish all facilities and equipment necessary for Contractor to complete the project or perform the services required herein, unless otherwise provided in Exhibit A.

7. Records. Contractor shall keep and make available for inspection and copying by authorized representatives of the City, the State of California, and the United States Government, the Contractor's regular business records and such additional records pertaining to this Contract as may be required by the City.

Contractor shall retain all documents pertaining to this Contract for a period of five (5) years after this Contract's termination (or for any further period that is required by law) and until all Federal or State audits are complete and exceptions resolved for this contract's funding period. Upon request, CONTRACTOR shall make these records available to authorized representatives of the CITY, the State of California, and the United States Government.

Contractor shall keep full and detailed accounts, maintain records, and exercise such controls as may be necessary for proper financial management under this Contract. The Contractor's accounting and control systems shall be satisfactory to City. Contractor's accounting systems shall conform to generally accepted accounting principles and all records shall provide a breakdown of total costs charged under this Contract, including properly executed payrolls, time records, utility bills, invoices and vouchers. The City shall be afforded prompt access to Contractor's records, books, and Contractor shall preserve such project records for a period of at least five (5) years after the termination of this Contract, or for such longer period as may be required by law.

Contractor shall permit City and its authorized representatives and accountants to inspect, examine and copy Contractor's books, records, accounts, correspondence, instructions, drawings, receipts, subcontracts, purchase orders, vouchers, memoranda and other data relating to the project or services set forth in Exhibit A, and any and all data relevant to this Contract at any reasonable time for the purpose of auditing and verifying statements, invoices, or bills submitted by Contractor pursuant to this Contract and shall provide such assistance as may be reasonably required in the course of such inspection. Contractor shall also allow City access to the record keeping and accounting personnel of Contractor. City further reserves the right to examine and re-examine said books, records, accounts, and data during the five (5)-year period following the termination of this Contract; and Contractor shall in no event dispose of, destroy, alter, or mutilate said books, records, accounts, and data in any manner whatever for five (5) years after the termination of this Contract.

Pursuant to California Government Code § 10527, the parties to this Contract shall be subject to the examination and audit of representatives of the Auditor General of the State of California for a period of three (3) years after final payment under this Contract. The examination and audit shall be confined to those matters connected with the performance of this Contract including, but not limited to, the cost of administering this Contract.

8. Changes and Extra Work. All changes and/or extra work under this Contract shall be performed and paid for in accordance with the following:

Only the City Council or the City Manager may authorize extra and/or changed work. Contractor expressly recognizes that other City personnel are without authorization to either order extra and/or changed work or waive contract requirements. Failure of Contractor to secure the authorization for such extra and/or changed work shall constitute a waiver of any and all right to adjustment in contract price due to such unauthorized work and Contractor thereafter shall be entitled to no compensation whatsoever for performance of such extra and/or changed work.

If Contractor is of the opinion that any work which Contractor has been directed to perform is beyond the scope of this Contract and constitutes extra work, Contractor shall promptly notify City of the fact. The City shall make a determination as to whether or not such work is, in fact, beyond the scope of this Contract and constitutes extra work. In the event that City determines that such work does constitute extra work, City shall provide extra compensation to Contractor on a fair and equitable basis. A change order or Contract Amendment providing for such compensation for extra work shall be negotiated between City and Contractor and executed by Contractor and the appropriate City official.

In the event City determines that such work does not constitute extra work, Contractor shall not be paid extra compensation above that provided herein and if such determination is made by City staff, said determination may be appealed to the City Council; provided, however, a written appeal must be submitted to the City Manager within five (5) days after the staff's determination is sent to Contractor. Said written appeal shall include a description of each and every ground upon which Contractor challenges the staff's determination.

9. Additional Assistance. If this Contract requires Contractor to prepare plans and specifications, Contractor shall provide assistance as necessary to resolve any questions regarding such plans and specifications that may arise during the period of advertising for bids, and Contractor shall issue

any necessary addenda to the plans and specifications as requested. In the event Contractor is of the opinion that City's requests for addenda and assistance is outside the scope of normal services, the parties shall proceed in accordance with the changes and extra work provisions of Section 8 of these General Conditions.

10. Professional Ability. Contractor acknowledges, represents and warrants that Contractor and its employees are skilled and able to competently provide the services hereunder, and possess all professional licenses, certifications, and approvals necessary to engage in their occupations. City has relied upon the professional ability and training of Contractor as a material inducement to enter into this Contract. Contractor shall perform in accordance with generally accepted professional practices and standards of Contractor's profession. In the event that City, in its sole discretion, desires the removal of any person employed or retained by Contractor to perform services hereunder, such person shall be removed immediately upon receiving notice from City.
11. Business License. Contractor shall obtain a Richmond Business License before performing any services required under this Contract. The failure to so obtain such license shall be a material breach of this Contract and grounds for immediate termination by City; provided, however, that City may waive the business license requirement in writing under unusual or extraordinary circumstances without necessitating any modification of this Contract to reflect such waiver.
12. Termination Without Default. Notwithstanding any provision herein to the contrary, City may, in its sole and absolute discretion and without cause, terminate this Contract at any time prior to completion by Contractor of the project or services hereunder, immediately upon written notice to Contractor. Contractor may terminate this Contract at any time in its sole and absolute discretion and without cause upon 30 days' written notice to City. In the event of termination by either party, Contractor shall be compensated for: (1) all authorized work satisfactorily performed prior to the effective date of termination; (2) necessary materials or services of others ordered by Contractor for this Contract, prior to receipt of notice of termination, irrespective of whether such materials or services of others have actually been delivered, provided that Contractor is not able to cancel such orders. Compensation for Contractor in such event shall be determined by City in accordance with the percentage of the project or services completed by Contractor; and all of Contractor's finished or unfinished work product through the time of the City's last payment shall be transferred and assigned to City. Additionally, in the event of such termination, the City may proceed with the work in any reasonable manner it chooses.

13. Termination in the Event of Default. Should Contractor fail to perform any of its obligations hereunder, within the time and in the manner provided or otherwise violate any of the terms of this Contract, City may immediately terminate this Contract by giving written notice of such termination, stating the reasons for such termination. Contractor shall be compensated as provided in Section 12 of these General Conditions; provided, however, there shall be deducted from such amount the amount of damage, including attorney's fees, expert witness fees and costs, if any, sustained by City by virtue of Contractor's breach of this Contract. Additionally, in the event of such termination, the City may proceed with the work in any reasonable manner it chooses.
14. Conflict of Interest. Contractor acknowledges, represents and warrants that Contractor shall avoid all conflicts of interest (as defined under any federal, state or local statute, rule or regulation, or at common law) with respect to this Contract. Contractor further acknowledges, represents and warrants that no City official or employee has any economic interest, as defined in Title 2, California Code of Regulations §§ 18703.1 through 18703.5, with Contractor that would invalidate this Contract. Contractor acknowledges that in the event that Contractor shall be found by any judicial or administrative body to have any conflict of interest (as defined above) with respect to this Contract, all consideration received under this Contract shall be forfeited and returned to City forthwith. This provision shall survive the termination of this Contract for one (1) year.
15. Indemnification.
- (a) If this Contract is a contract for design professional services subject to California Civil Code Section 2782.8(a) and Contractor is a design professional, as defined in California Civil Code Section 2782.8(b)(2), Contractor shall hold harmless, defend and indemnify the City, its officers, agents, employees, and volunteers from and against any and all claims, damages, losses, and expenses including attorneys' fees arising out of, or pertaining to, or relating to the negligence, recklessness, or willful misconduct of the Contractor, except where caused by the active negligence, sole negligence, or willful misconduct of the City. To the fullest extent permitted by law, Contractor shall immediately defend and indemnify the City and its officers, agents, employees, and volunteers from and against any and all liabilities, regardless of nature or type, that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the Contractor, or its employees, agents, or subcontractors. Liabilities subject to the duties to defend and indemnify include, without limitation, any and all claims, losses, damages, penalties, fines, and judgments; associated investigation and administrative expenses; defense costs, including but not limited to reasonable attorneys' fees; court costs; and costs of alternative dispute resolution. Contractor's obligation to

indemnify applies unless it is finally adjudicated that the liability was caused by the sole active negligence or sole willful misconduct of an indemnified party.

- (b) If this Contract is not a contract for design professional services subject to California Civil Code Section 2782.8(a) or Contractor is not a design professional as defined in California Civil Code Section 2782.8(b)(2), Contractor shall indemnify, defend, and hold harmless the City, its officers, agents, employees and volunteers from any and all claims, suits, or actions of every name, kind and description, brought forth on account of injuries to or death of any person or damage to property arising from or connected with the willful misconduct, negligent acts, errors or omissions, ultra-hazardous activities, activities giving rise to strict liability, or defects in design by Contractor or any person directly or indirectly employed by, or acting as, the agent for Contractor in the performance of this Contract, including the concurrent or successive passive negligence of the City, its officers, agents, employees or volunteers.
- (c) It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Contractor shall be obligated to defend, in all legal, equitable, administrative, or special proceedings, with counsel approved by the City, the City and its officers, agents, employees, and volunteers, immediately upon tender to Contractor of the claim in any form or at any stage of an action or proceeding, whether or not liability is established. An allegation or determination that persons other than Contractor are responsible for the claim does not relieve Contractor from its separate and distinct obligation to defend under this Section 15. The obligation to defend extends through final judgment, including exhaustion of any appeals. The defense obligation includes an obligation to provide independent counsel if Contractor asserts that liability is caused in whole, or in part, by the negligence or willful misconduct of an indemnified party.
- (d) The review, acceptance or approval of the Contractor's work or work product by any indemnified party shall not affect, relieve or reduce the Contractor's indemnification or defense obligations. This Section 15 survives completion of the services or the termination of this Contract. The provisions of this Section 15 are not limited by, and do not affect, the provisions of this Contract relating to insurance.
- (e) Acceptance of insurance certificates and endorsements required under this Contract does not relieve Contractor from liability under this Section 15. This Section 15 shall apply whether or not such insurance policies are determined to be applicable to any such damages or claims for damages.

16. Safety. Contractor acknowledges that the City is committed to the highest standards of workplace safety. Contractor shall perform all work hereunder in full compliance with applicable local, state and federal safety requirements including but not limited to Occupational Safety and Health Administration requirements and shall assume sole and complete responsibility for the safety of Contractor's employees and any subcontractor's employees. If a death, serious personal injury or substantial property damage occurs in connection with the performance of this Contract, Contractor shall immediately notify the City by telephone.
17. Insurance. Insurance requirements are set forth in Exhibit F to this Contract. Contractor shall abide by the insurance requirements set forth in said Exhibit F.
18. Non-Liability of Officials and Employees of the City. No official or employee of the City

shall be personally liable for any default or liability under this Contract.

19. Compliance with Laws. Contractor shall comply with all federal, state and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any courts or administrative bodies or tribunals, with respect to this Contract, including without limitation environmental laws, employment discrimination laws and prevailing wage laws. Compliance under this provision includes compliance with all provisions of the Richmond Municipal Code ("Municipal Code"), including Chapters 2.50, 2.52, 2.56, and 2.60, if applicable.

Contractor acknowledges that under § 2.60.070 of the Municipal Code ("Living Wage Ordinance"), Contractor shall promptly provide to City documents and information verifying its compliance with the Living Wage Ordinance. Also as prescribed in § 2.60.070, Contractor shall notify each of its affected employees with regards to the wages that are required to be paid pursuant to the Living Wage Ordinance.

Contractor shall comply with § 2.28.030 of the Municipal Code, obligating every Contractor or subcontractor under a contract or subcontract with the City for public work or for goods or for services to refrain from discriminatory employment or subcontracting practices on the basis of race, color, sex, sexual orientation, religious creed, national origin or ancestry of any employee, any applicant for employment or any potential subcontractor.

Contractor acknowledges that the City's Drug Free Workplace Policy, Violence in the Workplace Policy and the Policy Against Workplace Harassment, are available on the City's website at <http://www.ci.richmond.ca.us/workplacepolicies> . Contractor agrees to abide by the terms and conditions of said policies.

20. Limitations upon Subcontracting and Assignment. This Contract binds the heirs, successors, assigns and representatives of Contractor. The Contractor shall not enter into subcontracts for any work contemplated

under this Contract and shall not assign this Contract, nor any portion hereof or monies due or to become due, without the prior written consent of the City Council or its designee.

Contractor acknowledges that the services which Contractor shall provide under this Contract are unique, personal services which, except as otherwise provided herein, Contractor shall not assign or sublet to any other party without the prior written approval of City, which approval may be withheld in City's sole and absolute discretion. In the event that City, in writing, approves any assignment or subletting of this Contract or the retention of subcontractors by Contractor, Contractor shall provide to City upon request copies of each and every subcontract contract prior to the execution thereof by Contractor and subcontractor. Any assignment by Contractor of any or all of its rights under this Contract without first obtaining City's prior written consent shall be a default under this Contract.

The sale, assignment, transfer or other disposition of any of the issued and outstanding capital stock of Contractor (if applicable), or of the interest of any general partner or joint ventures or syndicate member if Contractor is a partnership or joint venture or syndicate, which shall result in a change of control of

Contractor, shall be deemed an assignment. For this purpose, control shall mean fifty percent or more of the voting power or twenty-five percent or more of the assets of the corporation, partnership or joint venture.

21. Integration. This Contract constitutes the entire agreement between the parties concerning the subject matter hereof and supersedes any previous oral or written agreement; provided, however, that correspondence or documents exchanged between Contractor and City may be used to assist in the interpretation of the Exhibits to this Contract.
22. Modifications and Amendments. This Contract may be modified or amended only by a change order or Contract Amendment executed by both parties and approved as to form by the City Attorney.
23. Conflicting Provisions. In the event of a conflict between these General Conditions and those of any Exhibit or attachment hereto, these General Conditions shall prevail; provided, however, that any Special Conditions as set forth in Exhibit E shall prevail over these General Conditions. In the event of a conflict between the terms and conditions of any two or more Exhibits or attachments hereto, those prepared by City shall prevail over those prepared by the Contractor, and the terms and conditions preferred by the City shall prevail over those preferred by the Contractor.
24. Non-exclusivity. Notwithstanding any provision herein to the contrary, the services provided by Contractor hereunder shall be non-exclusive, and

City reserves the right to employ other Contractors in connection with the project.
25. Exhibits. All Exhibits hereto are made a part hereof and incorporated herein by reference; provided, however, that any language in Exhibit A which does not pertain to the project description, proposal, scope of services, or method of compensation (as applicable) , or any corresponding responsibilities of City, shall be deemed extraneous to, and not a part of, this Contract.
26. Force Majeure. Neither party hereto shall be considered in default in the performance of its obligations hereunder to the extent that the performance of such an obligation is prevented or delayed by reason of acts of God, strikes, boycotts, lock-outs, inability to procure materials not related to the price thereof, failure of power, restrictive governmental laws and regulations enacted after the date of this Contract, riots, civil unrest, acts of terrorism, insurrection, war, declaration of a state or national emergency or other reasons of a like nature not within the reasonable control of such party.
27. Time of the Essence. Time is of the essence of this Contract. Contractor and City agree that any time period set forth in Exhibit A represents their best estimates with respect to completion dates and both Contractor and City acknowledge that departures from the schedule may occur. Therefore, both Contractor and City will use reasonable efforts to notify one another of changes to the schedule. Contractor shall not be responsible for performance delays caused by others, or delays beyond Contractor's control, and such delays shall extend the times for performance of Contractor's work.

28. Confidentiality. Contractor agrees to comply with, and to require its employees, agents and partners to comply with, all applicable State or Federal statutes or regulations respecting confidentiality, including but not limited to, the identity of persons served under this Contract, their records, or services provided them, and assures that:

All applications and records concerning any individual made or kept by Contractor or any public officer or agency in connection with the administration of or relating to services provided under this Contract will be confidential and will not be open to examination for any purposes not directly connected with the administration of such service.

No person will publish or disclose or permit or cause to be published or disclosed, any list of persons receiving services, except as may be required in the administration of such service.

29. Third Parties. Nothing herein shall be interpreted as creating any rights or benefits in any third parties. For purposes hereof, transferees or assignees as permitted under this Contract shall not be considered "third parties."

30. Governing Law. This Contract shall be construed in accordance with the law of the State of California without regard to principles of conflicts of law. This Contract is made in Contra Costa County, California, and any action relating to this Contract shall be instituted and prosecuted in the courts of Contra Costa County, California.

31. Nonrenewal. Contractor understands and agrees that there is no representation, implication, or understanding that the services provided by Contractor under this Contract will be purchased or renewed by the City under a new contract following expiration or termination of this Contract, and waives all rights or claims to notice or hearing respecting any failure by City to continue the purchase of all or any failure to continue purchase of all or any such services from Contractor.

32. Claims. Any claim by Contractor against City hereunder shall be subject to Government Code §§ 800 et seq. The claims presentation provisions of said Act are hereby modified such that the presentation of all claims hereunder to the City shall be waived if not made within six months after accrual of the cause of action.

33. Interpretation. This Contract shall be interpreted as if drafted by both parties.

34. Warranty. In the event that any product shall be provided to the City as part of this Contract, Contractor warrants as follows: Contractor possesses good title to the product and the right to transfer the product to City; the product shall be delivered to the City free from any security interest or other lien; the product meets any specifications contained herein; the product shall be free from material defects in materials and workmanship under normal use for a period of one (1) year from the date of delivery; and the product shall be fit for its intended purpose(s). Notwithstanding the foregoing, consumable and maintenance items (such as light bulbs and batteries) shall be warranted for a period of one hundred and eighty (180) days from the date of delivery. All repairs during the warranty period shall be promptly performed by Contractor, at Contractor's expense, including shipping.

35. Severability. In the event that any of the provisions or portions or applications thereof of this Contract are held to be unenforceable or invalid by any court of competent jurisdiction, City and Contractor shall negotiate an equitable adjustment in the provisions of the Contract with a view

toward effecting the purpose of this Contract, and the validity and enforceability of the remaining provisions or portions or applications thereof, shall not be affected thereby.

36. Authority. City warrants and represents that the signatory hereto (the Mayor of the City of Richmond or the City Manager) is duly authorized to enter into and execute this Contract on behalf of City. The party signing on behalf of Contractor warrants and represents that he or she is duly authorized to enter into and execute this Contract on behalf of Contractor and shall be personally liable to City if he or she is not duly authorized to enter into and execute this Contract on behalf of Contractor.

37. Waiver. The waiver by City of any breach of any term or provision of this Contract shall not be construed as a waiver of any subsequent breach. Inspections or approvals, or statements by any officer, agent or employee of the City relating to the Contractor's performance, or payments therefore, or any combination of these acts, shall not relieve the Contractor's obligation to fulfill this Contract as prescribed; nor shall the City be thereby stopped from bringing any action for damages or enforcement arising from any failure to comply with any of the terms and conditions of this Contract.

38. Possessory Interest. If this Contract results in the Contractor having possession of, claim to or right to the possession of land or improvements, but does not vest ownership of the land or improvements in the same person, or if this Contract results in the placement of taxable improvements on tax exempt land (Revenue and Taxation Code 107), such interest or improvements may represent a possessory interest subject to property tax, and Contractor may be subject to the payment of property taxes levied on such interest.

39. Performance and Final Acceptance.

Contractor represents that it is experienced, qualified, registered, licensed, equipped, organized and financed to perform the services under this Contract.

Contractor shall perform the services under this Contract with that degree of skill and judgment normally exercised by professional firms performing services of a similar nature in the State of California, and shall be responsible for the professional quality, technical accuracy and coordination of the services it performs under this Contract. In addition to the other rights and remedies which City may have, Contractor shall, at its own expense, correct any services which fail to meet the above standard.

City shall provide Contractor an opportunity to cure errors and omission which may be disclosed during the review of submittals, with no increase in the authorized Contract Payment Limit. Should Contractor fail to make necessary corrections in a timely manner, such corrections shall be made by the City and the cost thereof shall be charged to Contractor.

If warranted, City shall determine, and Contractor may request such determination, that Contractor has satisfactorily completed performance of this Contract. Upon such determination, City shall issue to Contractor a written Notice of Final Acceptance, after which Contractor shall not incur further costs under this Contract. Contractor shall respond to such Notice of Final Acceptance by executing and submitting to City a Release and Certificate of Final Payment.

40. Survival. The rights and obligations of the parties which by their nature survive termination or completion of the services covered by this Contract shall remain in full force and effect after termination or completion.

EXHIBIT E
SPECIAL CONDITIONS

The General Conditions are hereby amended to include the following modifications and/or provisions (if applicable):

**EXHIBIT F
INSURANCE PROVISIONS**

During the entire term of this Contract and any extension or modification thereof, the CONTRACTOR shall keep in effect insurance policies meeting the insurance requirements specified in the insurance provisions which are attached hereto and incorporated herein by this reference.
