

City of Richmond Administrative Manual

Hazardous Material Declaration

The City of Richmond requires all businesses licensed within the City to declare if hazardous materials are used or stored at their place of business. This information is used to help local emergency units respond in the event of a fire or accidental release. Please complete the following form and return it to the Business License Section at the time you purchase your license.

Hazardous Material is defined as any material that, because of its quantity, concentration, or physical or chemical characteristics, poses a significant present or potential hazard to human health or safety or the environment if released into the workplace.

Name of Business: _____

Nature of Business: _____

Address: _____

Phone: _____ (work) _____ (home)

I declare the following regarding hazardous materials used or stored at my place of business:

_____ Hazardous Materials are stored or used on site.
