

City of Richmond: Health and Safety Training

March 2012-March 2013

Updates:

Weight of a Nation (4 parts): Two separate screenings series, one for City Staff and one for the Public (hosted through LEAP and the Richmond City Library)

Senior Staff HiAP Strategy Update (8/28/2012): A presentation will be made before Senior Staff on the current status of Health in All Policies including the HiAP Strategic Document. The goal is to have Senior Staff give feedback on the HiAP Strategy Document and further discuss how each department can integrate HiAP in the 5 Year Strategic Business Plan.

All Staff Health Equity Training (9/13/2012): The Bill Lindsay, City Manager, and Professor Jason Corburn, UC Berkeley, will provide an introduction for all City Staff to Health Equity and Health in All Policies. This introduction is in preparation for future trainings provided by the Richmond Health Equity Partnership.
